Instructions:

- Die cut intricate floral die in the Artistic Dies using Gold Foil.
- Die cut stitched label die in the Hippo & Friends Die using Basic White.
- Use Polished Pink Ink to stamp "a happy Hello to you" greeting from the Sunny Sentiments stamp set onto the Basic White die cut.

- Use Stampin' Seal to attach Expressions In Ink Designer Series Paper to the far-left side of the Polished Pink cardstock, making sure left side, top, and bottom are flush with cardstock.
- Use Stampin' Seal to attach Basic White strip right next to the Designer Series Paper on the Polished Pink cardstock. Be sure to "butt" the edge of the Basic White strip right up to the edge of the Designer Series Paper already attached.
- Wrap 6" piece of Pale Papaya ribbon around Polished Pink cardstock layer, directly on top of the Basic White strip. Secure ends on the back with adhesive.
- Use Multipurpose Liquid Glue to add dots of glue to the back of the gold foil floral die cut. Attach Polished Pink layer, overlapping the ribbon.
- Use Stampin' Dimensionals to attach stamped greeting, slightly overlapping gold foil floral die cut.
- Attach this layer to Pale Papaya card front with Stampin' Dimensionals.
- Make a "bunny-ear" bow with the remaining ribbon, and use a Mini Glue Dot to attach to card front.
- Use Stampin' Seal to attach Basic White layer to inside of card.
