- For the tag: Soft Succulent – 1" x 3"; Basic White – 3/4" x 2-1/2"

## Instructions:

- Fold the card base.
- Tape/glue the Basic White layer on the card front.
- Using Soft Succulent ink, stamp the Daisy Garden stamp on the Soft Succulent layer.
- Place the daisy stamped layer in the Stamparatus and get the word friend in place on the plate. Stamp it several times with Evening Evergreen to get a strong image.

- (Optional) I spritzed this layer with a sparkle spritz solution.
- Wrap the ribbon across the front of the stamped layer about 1-1/4" from the bottom and secure on the back with tape.
- For the tag, punch both ends of each of the Soft Succulent and Basic White pieces. Stamp the word forever on the Basic White piece and glue it to the Soft Succulent piece.
- Use dimensionals and place the tag over the ribbon towards the right of center.
- Using Soft Succulent ink, stamp the top of the daisies along the bottom of the second piece of Basic White. Tape/glue this piece on the inside of the card.
- Using Soft Succulent ink, stamp the top of the daisies along the envelope flap. Stamp it all the way to the left and then stamp again to the right.
- Place a jewel on each end of the label and dot the 'i' of the word Friends with a jewel.
