Measurements:

- Card Base: Pear Pizzazz 5 ½" x 4 ¼"
- Cardstock #2: Basic White 5 ¼" x 4"
- Scraps of Old Olive, Mossy Meadow and Basic White for Die Cuts
- Designer Series Paper: Green Watercolor Background – 2 pieces 3" x 4"

Instructions:

- Take Basic White piece of cardstock measuring 5 ¼" x 4". Using Old Olive ink, stamp "Have a Happy Father's Day" stamp from the Handsomely Suited Stamp Set. If desired, you can mask the word "handsome" at the bottom of the stamp, either by using a post it to cover it, or simply position the stamp on the ink pad so it doesn't pick up the word. Be sure to have your paper in the landscape orientation, and stamp just slightly above center.
- Take the 2 pieces of DSP measuring 3" x 4". Pinch the paper in the middle of the 4" side, and then using the pinch mark as a guide, fold the two corners into the middle, forming a triangle at the top. Secure the "flaps" you have just created using Stampin' Seal. Then fold the triangle down over the excess DSP at the bottom. (Your shape will resemble a paper pirate hat.)
- Place Stampin' Seal on the REVERSE side of your DSP flap (this will be the same size as the Basic White Insert) and attach the paper on the short sides so that the triangles are on the top of the paper where your sentiment is stamped, and the adhesive portion is underneath. Then place Stampin' Seal on the back of the entire Basic White panel and attach to the Pear Pizzazz Cardstock base.
- Cut the large baseball hat die cut out of Old Olive cardstock and the star from Mossy Meadow cardstock from the Hat Builder die set using the Cut & Emboss Machine. Cut a stitched rectangle from the Stitched Rectangles die set. Use the die that measures 4 1/8" x 2 ¾". Stamp the "Dad" from the Hats Off stamp set and use the coordinating die cut and cut out the shape.
- Stamp "I'm your #1 fan" in Old Olive ink on the top left of the stitched rectangle. Glue the Old Olive Hat to the Stitched Rectangle, and add the Mossy Meadow star to the hat using a Glue Dot.
- Using Dimensionals, adhere the stitched rectangle to the card, using dimensionals on the LEFT flap only. Then using another dimensional on the RIGHT underside of the die cut, attach the "Dad" die cut to the right flap, overlapping the stitched rectangle slightly to form a closure.
