Instructions:

- Take the piece of Gorgeous Grape cardstock that measures 5 ½" x 12". Score on the 12" side at 4" and 8". Make a pencil mark on the left edge of the cardstock (the 5 ½" side) at 2" from the bottom. Using your Paper Trimmer, cut diagonally from the 2" mark up to the top of the score line at the 8" mark. Discard the small triangle that you cut off, and fold the card into a Z shape.
- Using the DSP with the ghosts on the purple background, make a pencil mark on the left side at 1 7/8" on the 3 ½" side of the paper. Cut from that mark diagonally UP to the right corner of the paper. Adhere this to the front panel of your card.
- Using the Grey and White Striped DSP, make a pencil mark on the left side of the paper at 3 5/8" on the 5 ¼" side of the paper. Cut diagonally UP to the right corner of the paper. Adhere this to the middle panel on the inside of the card.
- Using the DSP with the white background with the colored polka dots, Make a pencil mark on the RIGHT side of the paper at 3 5/8" on the 5 ¼" side of the paper. Cut from that mark diagonally up to the LEFT corner of the paper. Adhere this paper to the middle panel on the BACK of the card. This will then be visible when the Z fold is closed.
- Use the "trick or treat" stamp from the Cute Halloween stamp set and stamp in Memento Ink on your scrap of Smoky Slate cardstock. Punch out using the Elegant Tag punch. Adhere to the middle panel with the grey and white striped DSP. Affix two small orange star sequins to the "tombstone".
- Using Gorgeous Grape Ink, stamp "Have a fa(boo)lous Halloween" on the panel of Whisper White measuring 3 ¾" wide x 5 ¼" tall. Add a black spider in Memento ink, and candy corn in Pumpkin Pie ink. Adhere to the third panel on the inside of the card.
- Stamp the pumpkin outline and face in Memento Ink on the scrap of Pumpkin Pie cardstock. Stamp the Ghost outline and features in Memento Ink on the scrap of Basic white, and stamp the Skull head and face in Memento Ink on the scrap of Smoky Slate cardstock. Punch out the Ghost and Pumpkin using the Halloween punch, and hand cut the Skull out. Holding your card closed, use dimensionals to position the three Halloween shapes as desired.
- Using the "Boo!" stamp from the Banner year stamp set, stamp in Memento ink on the strip of Highland Heather cardstock. Trim the end to make a point, leaving enough room to add an orange star sequin. Trim to fit your card and adhere along the left edge of the panel with the polka dot DSP.
- Stamp your envelope with the outline and face of the Pumpkin stamp with Memento Ink, if desired.
- Adhere several star sequins to the top right corner of the inside Whisper White panel so that they show when the card is closed.
