- Tape/glue the silver striped piece of DSP to the inside of the card base.
- Stamp the word Joy with VersaMark on a piece of scrap Basic White. Sprinkle with Silver Embossing Powder (EP). Stamp the verse with VersaMark on a piece of scrap Blushing Bride and sprinkle with Silver EP. Stamp the three ornaments at the top of the smaller Basic White layer and sprinkle with Silver EP. Stamp the three ornaments at the top left corner of the larger Basic White layer. Heat emboss all of these.

- Decorate your envelope. (Optional: Cut a piece of DSP and cover the envelope flap)
