To order any of the supplies used in this tutorial contact me at sharon@inkup.us or just go to [my store and order](#).

Supplies:

- Stamps: Driving By (#158099)
- Ink: Memento Black (#132708)
- Paper: Flirty Flamingo (#141416), Pool Party (#122924), Basic White (#159276)
- Designer Series Paper (DSP): Sunshine & Rainbows 6"x6" (#158126)
- Tools & Accessories: Ornate Frames Dies (#150664), Stitched Rectangles Dies (#148551), Iridescent Rhinestones Basic Jewels (#158130), Pool Party Sheer Ribbon (#152462), Playful Pets Trim Combo Pack (#152466)
- Blends Markers: Flirty Flamingo (Dark) (#154884), Smoky Slate (Light & Dark) (#154904), Pool Party (Dark) (#154894), Pumpkin Pie (Light) (#154897), Balmy Blue (Light) (#154830)
- Other: Stampin' Seal (#152813), Stampin' Dimensionals (#104430), Tear & Tape Adhesive (#138995)

Measurements:

- Card Base: Flirty Flamingo - 5 ½" x 8 ½", scored at 4 ¼", 1" x 5 ½"
- Cardstock #2: Pool Party – 4" x 5 ¼"
- Cardstock #3: Basic White – 1 ½" x 2 ¼" (for sentiment), 2" x 5" (for two cars)
4" x 5 ¼" (for inside)
- DSP: 4" x 5 ¼", 1" x 5 ¼"

Instructions:

- Using Memento Black ink, stamp two cars on the 2" x 5" Basic White piece. Fussy cut both. Color cars as shown using Blends markers.
- Using Memento Black ink, stamp sentiment on 1 ½" x 2 ¼" Basic White piece and die cut using Ornate Frames die.
- Adhere the 3 ¾" x 5" Designer Series Paper (DSP) to 4" x 5 ¼" Pool Party piece making sure the entire surface has adhesive.
- Take the ½" x 2 ½" Stitched Rectangle and die cut a slot in the DSP/Pool Party piece.

- Take the Ornate Frames die (see picture) and place onto the 1" x 5 1/2" Flirty Flamingo piece. Place into die cutting machine with one end hanging over so you do not cut the entire piece. (see picture) .
- Place the die at the other end and repeat this process so you have two die cut ends. Use scissors to trim sides to the same side as the die cut to create a long tab.
- Use a paper piercer or small hole punch to poke hole in one end of the die cut tab. Insert a 6" piece of the black & white trim from the Playful Pets Combo Pack and tie a knot near the tab end.
- Place the DSP/Pool Party piece face down and place the tab over the top where the die cut slot is (see picture). Apply Tear & Tape Adhesive as shown in picture making sure to leave a bit of space at the top and bottom of the tab.
- Remove tab and adhere the DSP/Pool Party piece to the card base.
- Slide the tab into the slot. Place one Dimensional on the tab piece at the far right end of the slot.
- Attach car to Dimensional and pull on tab to confirm car will move from right to left.
- Attach sentiment to card front and attach Iridescent Rhinestones Basic Jewels.
- Inside of Card: Attach the 1" x 5 1/4" DSP piece to 4" x 5 1/4" Basic White piece.
- Using a piece of Tear & Tape just above the DSP, attach a piece of the Pool Party Sheer Ribbon.
- Attach other car and Basic White piece to inside of card.
