## Measurements:

- Card Base: Real Red 11 x 4 ¼ scored at 5 ½, 4 x 2 scrap to cut rectangle die
- Cardstock #2: Basic White 3 ½ x 2 scrap to cut rectangle die, 5 ¼ x 4 for inside
- Cardstock #3: Evening Evergreen 5 x 3 ¾ for front layer
- Designer Series Paper: 3 pieces of 3 ¾ x 1 ¾ of your choice of patterns

## Instructions:

- Run the Evening Evergreen cardstock through the Evergreen Forest embossing folder making sure the treetops are at the top of the cardstock. Attach the DSP Strips to the front of the Evening Evergreen layer. Attach the left one first and the right one second and then center the middle piece so all spaces are even. Make sure to watch for the direction of the pattern on the designer series paper.
- Attach a little over 6 inches of ribbon to the lower ½ of the evening evergreen and adhere to the back of the layer.

- Fold the Real Red card base in half and attach the Evening Evergreen layer to the front of the card.
- Stamp the sentiment in Real Red ink on the center of the Basic White scrap and cut out with the rectangle die. Die cut the Real Red rectangle and attach to the back of the white rectangle sentiment using Stampin' Seal +. Attach this whole layer to the DSP using mini dimensionals on the top and bottom of the back of the real red rectangle in order to stick the Real Red to the DSP instead of the ribbon.
- Cut 4 inches of ribbon and tie a small knot around the ribbon on the right side of the sentiment. Trim off the edges of the ribbon to leave tails.
- Adhere 3 -5 red rhinestones to the front of the card wherever you'd like.
- Attach the 5 ¼ x 4 Basic White to the inside of the card and the card is complete.
